

Print Scrappage Scheme

Yes indeed, now every business can benefit from
our New **LOWER** Prices and **Innovative**
Printing Services.

If older stock from your previous printer was
holding you back - fear not...

... You can now **TRADE IN** your old printing.

Now You Can Trade In Your Printing!!

The Print Scrappage Scheme is available to any business currently using a **competitors product**. Clients simply advise of the remaining items they have and this quantity is printed FREE of charge over and above the quantity ordered. For example, if you currently had 250 Brochures remaining and ordered 5000, we would print 5250.

The "Traded In Printing" must be supplied to us at the time of placing your new order. The value of the "Print Scrappage" print work cannot exceed £150.00

All returned print work is **recycled** and the Print Scrappage Scheme from Ink Shop Printing is only available on items that are FSC Certified. 95% of our STANDARD print range is FSC Certified, and NO additional costs are made for these stocks.

This offer is subject to confirmation at the time of order, the offer may be withdrawn at any time without notice. Participating outlets only.

In addition to the **FREE** Printwork, **FREE ARTWORK** may also be available as part of your "Trade In Package".
